

North Asian Pliocene-Pleistocene beremendiin shrews (Lipotyphla: Soricidae): A description of material from Russia (Siberia), Kazakhstan, and Mongolia and the paleobiology of *Beremendia*

Vladimir S. Zazhigin and Leonid L. Voyta

Supplemental material, S7. List of the analyzed specimens of other fossil and recent taxa. The stars are marking the specimens for shape analyzing procedure.

SORICINAE: BEREMENDIINI

Beremendia fissidens (Petényi, 1864) — **ZIN 104895/hu-01, /hu-02, /hu-03*, /Hu-03** (n = 3), Beremend 5 locality (late Pliocene, MN 16), Hungary; **ZIN 104903/1292** (n = 1), Korotoyak 2 (KRK/2) locality (late Pliocene), Russia.

Peisorex pohaiensis Kowalski et Li, 1963 — holotype replica **ZIN 104899** (n = 1), Chiachiashan locality (Early Pleistocene), China.

SORICINAE: BLARININI

Blarinoides mariae Sulimski 1959 — **ZIN 104901/BM-10*, /BM-11*** (n = 1), Węże 1 (early Pliocene), Poland.

Blarina brevicauda (Say, 1823) — **ZIN 16923*, 39894*, 40073*, 57486*, 65805*-810*, 67639*, 90551*, 103206*** (n = 13), recent fauna, United States of America.

Cryprotis parvus (Say, 1823) — **ZIN 71059*** (n = 1), recent fauna, United States of America.

Mafia dehneli (Kowalski, 1956) — **ZIN 104907*** (n = 1), Podlesice locality (early Pliocene), Poland.

SORICINAE: ANOUROSORICINI

Anourosorex squamipes Milne-Edwards, 1872 — **ZIN 38946** (n = 1), recent fauna, China; **CMNH 74969*** (n = 1), *ibid.*

SORICINAE: SOROCINI

Drepanosorex rupestris Zaitsev et Baryshnikov, 2002 — **ZIN 104913/mb-01*, 104958/mb-01*-03*** (n = 4), Treugolnaya Cave locality (Middle Pleistocene), Russia.

Neomys fodiens (Pennant, 1771) — **ZIN 21693*, 34050, 11883** (n = 3), recent fauna, Russia.

- Sorex minutus* Linnaeus, 1766 — **ZIN 84518*–520***, **84522*** (n = 4), recent fauna, Russia.
- Sorex araneus* Linnaeus, 1758 — **ZIN 73217***, **73228** (n = 2), recent fauna, Russia.
- Sorex isodon* Turov, 1924 — **201/A86** (field number; n = 1), recent fauna, Russia.
- Sorex daphaenodon* Thomas, 1907 — **ZIN 43526***, **43528*** (n = 2), recent fauna, Russia.
- Sorex monticolus* Merriam, 1890 — **ZIN 34126***, **39286*** (n = 2), recent fauna, United States of America.
- Sorex pacificus* Coues, 1877 — **ZIN 87799*–800*** (n = 2), recent fauna, United States of America.
- Sorex palustris* Richardson, 1828 — **ZIN 40200***, **40408*** (n = 2), recent fauna, United States of America.
- Sorex sonomae* Jackson, 1921 — **ZIN 87801*–802*** (n = 2), recent fauna, United States of America.
- Sorex trowbridgii* Baird, 1857 — **ZIN 71090*** (n = 1), recent fauna, United States of America.
- Sorex vagrans* Baird, 1857 — **ZIN 34125***, **40406*** (n = 2), recent fauna, United States of America.

CROCIDURINAE

Diplomesodon pulchellum (Lichtenstein, 1823) — **ZIN 96230** (n = 1), recent fauna, Turkmenia.

Crocidura shantungensis Miller, 1901 — **ZIN 89478** (n = 1), recent fauna, Russia.
